

## Rough To Ride

This isn't a full-length biker novel. You aren't going to get a love story, or an MC story with a beginning, middle, and end. This is a short story. 10,000+ words of a hot, sexy biker, and the woman he meets stranded on the road. It's sexy, lustful, and HOT. It's the fifteen-minute quickie every woman needs. So get on the back of Maverick's bike, and join him and Trixie on their sexy encounter. \*Recommended for 17+ for mature themes and content.
