

Pretty When She Kills

The second book in a trilogy follows the new vampire Amaliya as she does battle with necromancers, vampire hunters, and her lovers ex-girlfriend in Austin, Texas. Amaliya Vezorak never believed in happy endings. When Amaliya harnessed her necromancer powers to defeat her greatest enemy, she believed she had finally found a happy ending with Cian, her lover and the master of Austin. That happiness is short-lived when the vampire ruling over San Antonio attempts a takeover of Austin in order to capture Amaliya and use her power for his own devices. To make matters worse, Samantha, Cians ex-fiancee, is seeing ghosts, the untested vampire hunters of Austin are running scared as a supernatural war looms, a mysterious man is hunting Amaliya with the help of her one time lover, Pete, and Rachon, the Summoners favorite progeny, appears to be out for revenge. When Amaliyas grandmother, a powerful medium, experiences terrible visions that reveal there is another necromancer vampire and she is crying out for help, Amaliya realizes happy endings do not come easily.
