

## Prince of Thieves

She stole his ring In order to save her sons life, Cheyenne Lawson must get arrested, and soon. When a customer leaves an expensive heirloom on her table, she seizes the opportunity to steal it, hoping to get caught. She does, only to find out it belongs to a very sexy Arabian prince with a trust issue. Now she must pay for her crime in a way she never expected. Then she stole his heart Prince Kareem bin Ishmail doesnt want a wife, but with his small desert country on the verge of financial ruin, he needs one, at least a temporary one. When a lovely waitress steals his family ring, he seizes the opportunity to solve his dilemma by giving her a choice: life in prison in his desert country or a temporary marriage. With the sultry Arabian nights and her soft, sensuous kisses, he suddenly finds himself wanting to make their marriage a more permanent one. Will the charming, spirited thief steal his heart too?
