

The Private Club

New series from the USA TODAY and New York Times Bestselling authors of The Ex Games. The Private Club is a three book erotic romance novella serial. What happens at the private club stays at the private club! When Meg Riley lost her job as an attorney, she never thought she'd end up working for a private club. But when she met the handsome and elusive, Greyson Twining, she knew she couldn't turn the job down; even though she didn't really know what the position entailed. Greyson Twining is the owner of the private club and he knows that it's a mistake to hire Meg. However, there is something about the way she smiles at him that makes him forget his own reservations. And then there's the call from Brandon Hastings telling him not to hire Meg. A call he should have listened to more closely. As Meg and Greyson embark on day one of training, neither of them realize that there are secrets about to come out that will completely alter both of their lives. Part two will be out on February 13th and part three will be out on February 20th.
