

Profit Sharing: The Chapman Guide to Making Money an Asset in Your Marriage

Finances are the number-one cause of disagreements in marriages, leading many couples to divorce. Dr. Gary Chapman has counseled couples for over 30 years on relationship issues - money being at the top of the list. In his audiobook Profit Sharing, Dr. Chapman provides practical advice on how to make money an asset - as opposed to a headache - in your marriage. His straightforward conversational style will help you and your spouse quickly identify weak areas and reframe the way you view your finances.
