

Promise Me: The Complete Billionaire Romance Love Story Series Box Set (City by the Bay Series Book 2)

It was just one night. That's all I had time for. I didn't need a relationship. Just a quick escape from the demands of my high stress career. It wasn't even on my radar until my eyes locked with his. Call me easy, but that was all it took. I gave in and I chose him to get me through the night. The problem was, after that night, I couldn't get him out of my mind. This wasn't supposed to happen. I didn't have time for a relationship. I was too busy with work. But one night quickly turned into two. Then three. And four. And when I learned some devastating news myself, I saw him for what he really was and knew that finding him was no accident. Note from the author: This is your classic love story, dangling on the edge of romance. It is meant to make you laugh, cry and hug the ones you love.
