

Promised to the Mobster 1: An Italian Mafia Romance

Her family owes a debt. She has to pay the price. Sofia's life is turned upside-down when she learns she has to marry an Italian mobster because of an old promise made when she was just a child. She's not happy about it but she knows breaking a promise to the don will put her family in danger. Tall, sexy, smooth-talking Alessio Drago isn't what Sofia expected, and all of a sudden, it seems as if doing the honorable thing might also be the pleasurable thing. But Alessio is a man filled with dark desires. He intends to have his new lover submit to him completely and he has no problem with introducing her backside to his hand to show her who the boss is. Reader Advisory: This is the first 7k installment of a bdsm romance serial about the Italian Mafia. It contains explicit scenes of dominance, submission, and spankings. For adults only.
