

## Prophecy Of The Female Warrior: The Nephilim Warrior Series book 1

Anna Wilkins is a prototypical housewife. She buys groceries, picks up the dry cleaning and hosts dinner parties. Everything was picture perfect from the outside looking in until the life she was born to live collided with the life she was living. Her husband is murdered by a creature from another realm, a creature that is only visible to her. Through her pain, his death awakens a part of her she didn't know existed. She is then thrust into a life of Vampires, Werewolves and Sexy Nephilim Warriors. Drawn to her by a bond as old as their race, a Nephilim Warrior finds Anna at her darkest hour and seeks to arouse what lies dormant within her. The scorching sexual attraction she and the Warrior feel for one another may be beyond anything either of them can control...
