

Propositioned by the Billionaire (Mills & Boon Modern Heat)

Mixing business with pleasure has never been more fun! When a drop-dead gorgeous mystery man comes to PR exec Phoebe Jackson's rescue at a party she's hosting, she can't help but be tempted by the sparks of desire igniting between them and soon both their attraction and the party go up in flames. But her rescuer is Alex Gilbert and he has her career in his hands! Now Alex has a daring proposition for her: she must prove her worth by staging a prestigious charity event on an island paradise or she'll be fired! It would normally be a walk in the park for Phoebe but with the oh-so-sexy Alex by her side 24/7 can she keep her mind on the job?
