

The SEAL Next Door (Alpha SEALs Book 5)

The girl next door is all grown up, and she's ready to play. Brianna Miller's life isn't going as planned. She's moonlighting as a cocktail waitress after getting laid off from her marketing job, her older brother was injured in Afghanistan, and the man she's pined for since she was a teenager is back in her life, hotter than hell and more tempting than ever. Navy SEAL Matthew Gator Murphy has only one goal when he returns to Pensacola, Florida for a long weekend to welcome his best friend home and then get the hell out of there. There's no way he can face life with his buddy in a wheelchair, not when he was the one who convinced him to enlist in the first place. When a gorgeous blonde waitress catches his eye, the last woman he expects to see is Brianna, his best friend's younger sister. The chemistry between them sizzles as Matthew tries to stay away from temptation, but sometimes a raging inferno begins with only a spark. The SEAL Next Door, a stand-alone novel, is book five in the new Alpha SEALs series.
