

Rebirth: Rogues Shifter Series Book One (Volume 1)

Seventeen-year-old Jackie Crawford's life is turned upside down when she discovers she's not human, but instead part of a large supernatural community. Because of her newly discovered magical abilities, she's picked to train with a group of powerful young shapeshifters who become her close friends. Their purpose is to protect the vulnerable shifter population from the more violent supernatural beings that inhabit this terrifying and exciting world. During her training, she meets Garrett, a magically powerful vampire who teaches her to use her unique gifts and then manages to steal her heart. Backed by their team of rogues, Jackie and Garrett face unexpected dangers, finding strength in their magic and their commitment to a life together.
