

Prymal Hunger

Kydd Kolton leads a charmed life. A Rogue wolf and retired UWF fighter, he parlays his toned bod and surfer good looks into a wildly successful acting career. Rich, famous, handsomer than sin, Kydds never had to lift more than a pinky or a perfect brow to snare a woman until he meets Helle. Helle snares the dream job to launch her Hollywood ambitionsshes Kydd Koltons new personal assistant. After her recent horrifying kidnapping by a sexual predator, the mere notion of desire repulses her. The last thing she expects is her explosive attraction to Kydd. When Kydd tells her hes a shifter, shes certain hes lost his marbles. Then he shows her his wolf. And the secret shes kept for her entire life unravels, tumbling Helle and Kydd into murder and mayhem. Can she trust Kydd to keep her safe?
