UNPLUGGED (A PORTRAIT OF A
ROCK STAR) Life for rocker Tagg
Holland isnt a bed of roses, but things look
up when Mara enters his world. This story
was semi-finalist in the 2011 Textnovel
contest. One fatal night changes rock-idol,
Tagg Hollands life forever...until his
Oscar-winning mother hires him a personal
trainer...in the form of a cute little brunette.
When Mara Giordano comes knocking on
his door, Tagg Holland sees a light at the
end of his decade-long tunnel of despair.
Suddenly, the call to fall in love and to
reemerge as the Nations most beloved
rocker, urges him to put the wheels in
motion and try romance as well as head
back to the stage. With his mothers
support and a new relationship budding,
Tagg believes he will finally overcome his
tragedy and grow from it...until another
near-fatal accident threatens Taggs resolve
and sends him plummeting once again.
With his emotional stability teetering on
the edge of another breakdown, Tagg
Holland may not have the strength to
overcome a second casualty. Will the love
hed found in the last few months be strong
enough to see him through? Book Cover
