

The Christmas Contract

* Sweet romance without spicy love scenes* Millionaire Dax Dawson is a world-class philanthropist and grandfather. While he's generous with his money, he also makes the community work for it. He's the same with his family. No free handouts. What he gives has strings attached. Dax decides it's time for his fiercely independent, almost-thirty-year-old granddaughters to settle down. He wants them to find love and give him great-grandchildren before his lights go out. And he knows how to make it happen. Prompted by love, guilt, and a desire to own their own business, the Dawson triplets -- Joy, Noelle, and Christi -- enter into a Christmas contract that will change their lives forever. Finding true love is a unique adventure, so each girl has her own story. The outcome for all three, however, funnels into one giant happily-ever-after. Introducing: Joy -- the bookworm and accountant Noelle -- the fashionista who works in a high-end boutique Christi -- tomboy and fitness trainer Luke -- playboy and car salesman Turk -- grease monkey and all-around nice guy who repairs cars Michael - strictly business/upright guy who owns a realty company Dax - silver fox and well-intentioned manipulator Let the fun begin!
