

## Rancher to the Rescue

Damsel in a wedding dress! Jilted at the altar, celebrity chef Meghan Finnegan flees the scene--and the baying press--only to run straight into the muscled torso of Cash Sullivan. The former rodeo champion knows what it's like to have your life crumble in the spotlight, so he offers Meghan a place to lie low at his ranch. Fresh air, no paparazzi and the brooding rancher's lazy smile are making Meghan not want to leave her sanctuary. But she and her unborn baby can't stay here forever...can they?
