

## Ravage Me (Ravage MC #1) (Volume 1)

After spending the last two years stuck behind bars for a crime she didnt commit, Harlow Princess Gavelsons time inside has finally come to an end, and shes ready for revenge. Unfortunately, being the daughter to the Vice President of the Ravage Motorcycle Club cuts into her plans, as orders must be followed. Trying to settle back into this life is proving difficult when the tables are turned and the woman who framed her is out for blood. Lucky for Princess, growing up in a MC has taught her how to hold her own. After spending years in hell overseas, Donavon Cruz came home to lose the very thing he went into hell for, sending him to the darkest moments of his life. Joining Ravage two years ago was his safe haven, and he protects his family at all costs. When a dark-haired bombshell struts into the clubs shop, hes caught off guard but immediately knows shes the one hed do anything for. Tough as nails, and taking no crap from anyone, hes captivated by a woman who could handle this life. Trying to meet the needs of the MC business and follow his heart proves to be difficult when the two collide, and lives are at stake. Can these two find a way to be together, or will the needs of Ravage cost them everything, including their lives? \*Contains mature content including, sex and violence. Mature audiences only. Please note this book does not end in a cliffhanger for Princess and Cruz, but will have you contemplating the next moves of the club.\*
