

Passionate by Moonbeam (Alien Abductions Book 4)

Book 4 in the Alien Abductions series. Vern has dedicated himself to healing his people, seeking to prove his worth. He faces an uphill battle to claim Winona, a human astrobiologist. While Vern's days are filled with hard work, his nights are spent engaging in steamy online encounters with his lusty human. He tells himself he can wait to touch her, taste her, love her...until enemy forces attack Earth. Now Vern will do anything to keep her safe. He will defy his Rulers, storm across a carnage-filled battlefield, take Win in every way a woman can be taken. A Romantica futuristic erotic romance from Elloras Cave This is a SciFi Romance short story.
