

## Beguiling the Beauty (Berkley Sensation)

When the Duke of Lexington meets the mysterious Baroness von Seidlitz-Hardenberg on a transatlantic liner, he is fascinated. She's exactly what he's been searching for: a beautiful woman who interests and entices him. He falls hard and fast and soon proposes marriage. And then she disappears without a trace. For in reality, the baroness is Venetia Easterbrook, a proper young widow who had her own vengeful reasons for instigating an affair with the duke. But the plan has backfired. Venetia has fallen in love with the man she despised, and there's no telling what might happen when she is finally unmasked.
