

Alphas Darkling Bride

Jess: Cade Derringer wants me naked and vulnerable. Screw that. The last thing I need is a dirty-talking, bad boy shifter crashing into my life. Especially the wolf pack alpha, who never lets me forget that the first time he saw me, I was stark-freaking-bare-assed. Trouble is, I cant seem to stop losing my clothes around him. But that doesnt mean I like him. Nor does it mean Ill obey his sexy, arrogant orders Even if I am forced to marry the jerk. Cade: Ive got no damn use for a wife. Especially one with dark, mysterious secrets. Im a hunter. Chicks like her are my natural prey. But Jess lights me up with mystic fire every time I nail her. If she thinks that means were fated mates, forget it. I take whats mine, but I dont believe in fairy tales. Alphas Darkling Bride is a full-length, standalone novel with hot sex, strong language, and an HEA. Authors Note
