

Direct From Dell: Strategies that Revolutionized an Industry (Collins Business Essentials)

At nineteen, Michael Dell started his company as a freshman at the University of Texas with \$1,000 and has since built an industry powerhouse. As Dell journeys through his childhood adventures, ups and downs, and mistakes made along the way, he reflects on invaluable lessons learned. Michael Dell's revolutionary insight has allowed him to persevere against all odds, and Direct from Dell contains valuable information for any business leader. His strategies will show you effective ways to grow your business and will help you save time on costly mistakes by following his direct model for success.
