

Come Alive (Experiment in Terror #7)

Its one thing to bring the woman you love back into your life. Its another to try and keep her there. For Dex Foray, convincing Perry Palomino to open herself to their burgeoning relationship has been more challenging than hunting ghosts, battling demons and stalking Sasquatch combined. Add in the fact that the only way they can keep their Experiment in Terror show running is to take on a third partner in the form of the mysterious Maximus Jacobs all while investigating a sinister voodoo sect in New Orleans and youve got the perfect Southern storm and a recipe for disaster. Luckily, Dex has never been one to back down, even when his life and heart are on the line. Come Alive is told from Deks POV
