

Damians Assassin (War of Gods Book 2)

BOOK TWO in the War of Gods series. With the White God in Europe, Dustin is left alone in Miami to protect the Grey God, a man-god struggling with his identity, and the White Gods mate. One of the Black Gods vamps in Miami suddenly goes rogue and starts killing humans by the dozen. Dustin initially doesn't think much of the ruthless, human-hating thug, Talon, until it becomes clear that the vamp is receiving help from otherworldly beings whose intentions are nothing short of destroying humanity. To make matters even worse, Dustin begins to dream of his dead sister, who tells him he'll be seeing her soon. Dustin rescues Bianca and her troubled brother, a Natural whose mysterious talent makes him vital to Talon's plans. Bianca, a woman as sunny and sweet as Dustin is hard and cold, has the rare Natural gift of healing. She can bring the recent dead back to life or turn a vamp back into a human. She can even reach Dustin's heart, which he locked away long ago after his sister's death. Convinced he'll be killed soon, Dustin won't risk his heart or Bianca's, despite their mutual attraction, and Bianca discovers even her incredible talent can't save both the men she loves. Includes exclusive excerpt of Damians Immortal (War of Gods, Book 3), which will be released 02 December.
