

## Death Offerings (the Northland Crime Chronicles, Book 2)

Detective Lane Brody and Monroe Donovan, The Northland Chronicles newest female crime reporter, are face-to-face with a chance for happiness. Then Brody's wife--incarcerated in a mental institution after murdering the man she took as a lover--begins to recover. Now Monroe wants to put distance between herself and Brody, but Brody is under orders to keep Monroe close in order to nab the Penny Killer who leaves macabre gifts on his victims in Monroe's name. As the body count rises and the Penny Killer grows more enamored with Monroe, Brody decides if he can't spend the rest of his life with the woman he loves, he'll gladly die to protect her.
