

## Whos Been Sleeping in My Bed? (Evergreen Dynasty) (Volume 2)

What happens when a reformed bad boy discovers a racy Goldilocks sleeping in his bed on a dark and stormy night? Breaking and entering has never been one of Harlee Daviss sins, but thats about to change when she falls asleep in a strangers bed while seeking refuge from the storm raging outside and the one created by her screwed-up life. When Jake Reynolds returns home late at night, the last thing he expects is a curvy blond Goldilocks warming his sheets. Instead of throwing the intruder out on her fine ass, he hires her to organize his disorganized construction office. When his wealthy family meets the polyester siren posing as Jakes assistant, they fear hes slipped back into his bad boy ways. After Harlee discovers that Jake plans to demolish the very camp shes been entrusted to preserve, she mounts a crusade. They wage a war of wills battling their conflicting interests on a professional level and too much interest on a sexual level, and one of them stands to lose everything in a game where there may not be a winner.
