

Where Evil Waits (The Mann Family)

Kate Brady's debut novel is everything romantic suspense should be: scary, sexy, pulse-pounding, and page-turning. Remarkable characters, pitch-perfect pacing, and a memorable villain make *One Scream Away* a standout book. A winner. -- Allison Brennan, *New York Times* bestselling author on *One Scream Away*

SHELL RISK EVERYTHING

Special prosecutor Kara Chandler is very good at her job, so good that a homicidal mastermind vows to kill her and everyone she cares about. Desperate to save herself and her son, Kara seeks out cartel hit man Luke Varon. The last time she dealt with Luke, she saw him beat the system and escape prison. But now, the most dangerous man she's ever met is the only one who can keep her alive. HELL STOP AT NOTHING

Luke Varon isn't who he appears to be. After spending years in the criminal underworld, he seeks redemption ... and revenge. Yet when he sees the fear in Kara's eyes, he can't walk away. People around her are being murdered, and only he can help uncover the killers' motive. Now as danger closes in, Kara and Luke must trust each other with their darkest secrets - before the evil in their lives destroys them both.
