Book 4 of The Sinners on Tour How far out are your fantasies? When Rebekah Blake accepts a position as Sinners new soundboard operator, she's determined to seduce the band's rhythm guitarist, who she's always had a crush on. With her self-esteem in tatters after cancer treatments, Rebekah craves someone's interest. But Trey Mills only looks good to Rebekah in theory. When he can't give her what she needs, who will step in? From the moment he lays eyes on Rebekah, Eric Sticks is completely smitten. It's as if fate dropped his perfect woman right in his lap. He showers her with attention. He wants her. Desperately. When he finally gets her, the pair of kinky lovers will have to overcome their inner demons if they want to take their relationship to the next level...
