

Rebekah: Women of Genesis

Born into a time and place where a woman speaks her mind at her own peril, and reared as a motherless child by a doting father, Rebekah grew up to be a stunning headstrong beauty. She was chosen by God for a special duty. For Rebekah must leave her father's house to marry Isaac, the studious young son of the Patriarch Abraham. Her struggles to find her place in the family of Abraham are a true test of her faith, but through it all she finds her own relationship with God and does her best to serve His cause in the lives of those she loves. In *Rebekah*, Orson Scott Card has created an astonishing personality, complex and intriguing, and her story will engage your heart as it captures your imagination.
