

Recalculated Murder (Kate Ryan Mysteries Book 9)

The 9th installment of the Kate Ryan Mystery series. An old friend of Hannah's leaves her a cryptic voice mail and sends one thing to her: a GPS. Then he turns up dead. Her logical next step? Naturally, call Kate Ryan for help. So, Kate, Hannah, and Maggie travel to New Orleans to try to find out what exactly happened to Walt Doc Jenkins. From voodoo to hoodoo, from the swampy bayou to the plush Garden District, join Kate Ryan et al as they invade the Big Easy and retrace Doc's last days to unravel the convoluted mess he left behind. New Orleans will never be the same.
