

Alpha Hero (Wolf Protectors Book 2)

Jordan Vale can't believe he's been assigned a PR coach. As a mixed martial artist who also happens to be a wolf shifter, Jordan wants nothing more than to train alone and defend his record. The last thing he needs is a forced break and some suit following him around insisting he mind his manners. But when he meets curvy Senna Christy, the wolf in him takes immediate notice. And not just because she's smokin' hot. Senna is hiding a secret, and without Jordan's help, she might be in real danger. Senna Christy has seen a lot of difficult clients, but she expects Jordan Vale to be the worst yet. With his tall physique and cold, intimidating gaze, Jordan is as well known for being undefeated as he is for being surly and unpleasant to work with. But the Jordan Senna meets is different than she expected. And even though Senna knows she can't afford to get involved long-term with a fighter, she can't seem to fight the intense attraction she feels when he's near. But as secrets unfold and one forbidden kiss turns into so much more, Jordan and Senna can't help falling into a hot affair that neither wants to admit might be more than a fling that ends when their work is over. But with mysterious forces threatening Senna, if the two aren't willing to play for keeps, they might lose each other forever.
