

## Re/Defined (Doms of the FBI Book 4)

Amy Markevich nurses fantasies about dominant agent Jordan Monaghan, but she knows they'll never come true. He's younger, to-die-for handsome, and so very different from her. She settles for friendship and dreaming from afar, even when he agrees to show her the platonic side of submission. Jordan has always known what he wanted, and as he gets to know Amy, he's convinced that she's the complete package. Her sexy curves and passionate nature contrast sharply with her childlike innocence and exuberant joie de vivre. She calls to his body and soul. Just as he's about to reveal that he's a Daddy Dom and that he suspects Amy harbors an inner little and a submissive side, Amy witnesses a gruesome murder, and a terrorist organization puts her on top of their most-wanted list. As they are forced to run for their lives from this unexpected enemy, Jordan helps Amy to accept her true nature as a little and to redefine everything she thought she knew about belonging to him. Warnings: anal play, mini-golf, bondage, sensory play, suction cups, and laser tag.
