

Red and the Wolf (Enchanted Fairytales Book 2)

A sudden increase in the violence and frequency of wolf attacks in the forest surrounding Piera has all of the residents on edge. Ruby? Three years ago, Rafe left their tiny mountain burg of Piera, leaving Ruby Hood behind to mend her shattered heart. Dealing with the fear created by the powerful and intelligent wolf would be enough for anyone, but now Ruby has to contend with more heartwrenching news ... Rafe has come home. Lowell? Rafe's brother, Lowell, has befriended Ruby in his absence. Hes almost as gorgeous as Rafe, and nearly as charming, but the problem is ... hes not Rafe. Rafe had no choice but to leave three years earlier, in spite of sharing an earth shattering kiss with his lifelong best friend Ruby. Now, hes back ... and hes willing to fight for what he wants.
