

## Baby Needs a New Pair of Shoes (Red Dress Ink Novels)

For herein Fortune shows herself to be more kind Than is her custom. Thats Shakespeare. In case youre wondering. If you were Delilah Baby Sampson, youd already know that. Delilah got hooked on the Bard back in college. Then she briefly got hooked on Singapore Sling cocktails. And then she got tossed out of school. Yes, when Delilah discovers something she likes, she really sticks with it. These days, her addictions include sudoku, lime diet cola and now Jimmy Choos. Oh, Babys gotta have those shoes! But on her window-washer salary, \$700 for one pair is a stretch. Which leads us to her latest obsession gambling. With an impromptu posse, including an elderly movie star, two Brazilian lesbians and Hillary Clinton (no, not that one!), Delilah hits the casinos and discovers that shes a natural-born high-roller. Every win puts her closer to those beloved Choos. And as the 21s keep dropping, so do the men right at her feet. But for a girl who never knows when to fold em, gambling and casino guys are not healthy habits. She could end up losing her shirt, her head and a whole lot more.
