

## To Die For (Spark of Magic)

Genre: Vampire Paranormal  
Previous Book: Deadly Crimson  
After an explosive encounter, which leads to Amy turning over her samples, Kaelen can't get Amy off his mind. Her research proves that vampires exist and he's determined to get it from her. She's just as determined to keep it...and use it. What begins as a simple seduction becomes much much more. Kaelen is attacked and almost killed. Although Amy can't accept her growing feelings for a vampire, of all things, she calls for help getting him to safety. She means to stay behind, but Kaelen won't leave her and the two discover they have a connection that permits them to share dreams. If one is in danger, then so is the other, and Kaelen must defend both his vampire council seat and Amy from his enemies, if he's to keep this newfound love worth dying for.
