

Redemption and Regrets (Chastity Falls Book 4)

Four years ago, I had everything. All it took was the snap of his fingers and he ripped it out from under me. Betrayed, by my own father. His enemies want me dead and old allies want me back in their ranks to help take what's owed. And while I'm trying to figure out what I want, there's her. The one I watch from the shadows, afraid to bare myself to her, the real me. Hard. Cold. Deadly. She should fear me. Braiden Donohue, but I'm not the only one keeping secrets, and I must discover what she's hiding. Before it's too late. Redemption will be afforded, regrets will be atoned. Welcome back to Chastity Falls.
