

Red-Hot and Royal

The author of *Bad Girl Bridesmaids* introduces three lucky women who are about to storm the royal gates and take on three unsuspecting princes?Kylee, Lauren, and Shayla are modern- day ordinary women who would never meet the requirements for fabled princesses. Damsels in distress? Definitely not. Fairest in the land? They wish. Pure as snow? Not even close. Now, these women are about to get to know the wild side of royalty?and inspire princes to cast the crown aside and bare it all. Their encounters are royally erotic?and the happily ever after they reach is not exactly the fairytale ending you?d expect. It?s much, much hotter. One thing?s for sure?these princes never had it so good.
