

## Redneck Romance

Twenty-year-old Kelly Gray arrives in the mountainous area of North Carolina, deep in Redneck land, intent on journeying into the Joyce Kilmer Wilderness to take fall pictures, which she hopes to sell to National Geographic. That is until she runs out of gas and needs to enlist the help of Jimmy Bob Willows, a redneck with sexy blue eyes. While he filled her tank with gas, she threw caution to the wind and hired him as a guide, ignoring the fact of how dangerous it may be. Hiring a man whom she doesn't even know, a man who insists on calling her, City. Experienced mountain man Jimmy Bob Willows leads the inexperienced Kelly into the mountains, teaching her how to survive in the wilderness. This is a new experience for Kelly as she has never been out from under her mother's thumb before, but she embraces what Jimmy Bob is teaching her, and for once in her life, she's on a real adventure, one that results in Jimmy Bob saving Kelly from a copperhead snake and moonshiners! Kelly fights the growing attraction between them, but will it be a losing battle?
