

Ace of Spades

The stakes are high and the cards are about to fall. Reckless, bad boy rocker Jackson Black Jack Blackner has everything a man could want, yet he hides from the pain of his past behind sex and drugs. Lost in a downward spiral, he reaches out to the only person who ever truly cared about him, the childhood friend he pushed away. Promising businesswoman Melody Davis follows all the rules. Until Jackson crashes back into her life and turns her straight-laced world upside down. Dragged into his world of self-destructive indulgence, Melody must fight to save the boy she knew from the man he has become.
