

## Rekindled Love

Based on a True Story Getting away from everything and spending their anniversary aboard The Delta King, a lavish and expensive passenger paddle-steamer that cruises the Sacramento River, is just what Maggie and Ian need to spark some excitement into their marriage. Little does Maggie know, Ian wants to turn up the heat in the bedroom and has far more tantalizing and erotic ideas planned for their long-awaited weekend hoping to rekindle their passion and ignite those abeyant feelings they once had for each other. But is that enough to rekindle the love lost to all the pressures of life, kids, and jobs?
