

Relentless Pursuit (New Orleans Connection) (Volume 2)

Jennifer Jinx Marucci witnesses her brothers shooting. The leader of New Orleans Russian mob thinks her brother, Carlo, passed something valuable into her keeping and demands its return. Every instinct tells her to trust no one, but what choice does she have except to turn to the police? Detective Remy Lamoreaux can't believe his luck when Jinx walks through the doors of the New Orleans Police Department. He's tried for years to bring down Vladimir Dubshenko. Fate has finally handed him the opportunity to go head-to-head with the vicious mobster and lock him up for good before Jinx becomes one more casualty in Dubshenko's lust for power. Intrigue, kidnapping and danger combine to keep Remy and Jinx constantly on the move. One thing is certain if they stop running, they die.
