

A Bad Boy for Christmas (Second Chance)

'Tis the Season to Be Naughty Connor McClain knows what he wants. And after four harrowing years in Afghanistan, that's a quiet life in the lakeside town of Evergreen Cove. But coming home has land mines of its own—the most dangerous of them being long-legged bombshell Faith Garrett. Now getting her into his arms this holiday is going to require more than mistletoe ... With a cheating ex behind her, all Faith wants is a relaxing holiday free from man drama. And even though every moment with gorgeous Connor is a sweet temptation, Faith is determined not to give in. But Jack Frost has other plans, and soon Faith and Connor are snowbound in a winter wonderland with only the sparks flying between them to keep them warm. As one hot kiss leads to another, they'll have to decide if they're ready to give each other the best gift of all—love. Everything I love in a romance. --- Lori Foster, 2014
