

Deja vu Bride: Contemporary Christian Romance (Racing Book 2)

Racing Series: Book 1 The Bride Wore Coveralls Book 2 Deja vu Bride Book 3 Catch Me If You Can Deja vu Bride: Furious with God, Olivia Roseman vows to never trust Him again. Why should she? Once again her prayers have gone unanswered, and once again another loved one has been ripped from her. With no job and only a few dollars, Olivia makes a choice to start over again. Without God and without love. However, her handsome new boss isn't going to make forgetting God or keeping her vow to never love again very easy. Erik Cole questions the sanity of his moving from Swamper City, Alabama to Charity, West Virginia. That is, until he hires airbrush designer Olivia Roseman to paint his monster truck. When he senses that she's a gal who is down on her luck, he vows to do whatever he can to help her. Only problem is, the little beauty creates more challenges than one. As his feelings toward her deepen, all Erik can do is hope and pray that one day Olivia will open up her heart to Christ and to him.
