

Drink Deep: A Chicagoland Vampires Novel (Chicagoland Vampires Series)

The fifth entry in Chloe Neills Chicagoland Vampires series, perfect for fans of Charlaine Harris and Kelley Armstrong. Clouds are brewing over Cadogan House, and recently turned vampire Merit cant tell if this is the darkness before the dawn or the calm before the storm. With the city itself in turmoil over paranormals and the state threatening to pass a paranormal registration act, times havent been this precarious for vampires since they came out of the closet. If only they could lay low for a bit, and let the mortals calm down. Thats when the waters of Lake Michigan suddenly turn pitch black - and things really start getting ugly. Chicagos mayor insists its nothing to worry about, but Merit knows only the darkest magic could have woven a spell powerful enough to change the very fabric of nature. Shell have to turn to friends old and new to find out whos behind this, and stop them before its too late for vampires and humans alike.
