

Ride a Dark Horse

Set against the sweeping landscape of Virginia horse country, this breathtaking story of love in the wake of tragedy marks the debut of an exciting voice in romantic fiction. Cassie Miller was on track to be one of the best equestrian riders of the sport when a terrible accident left her as the guardian of an orphaned niece and nephew. Seeking means to support the twins -- now five years old -- Cassie takes a job as a horse trainer at the prestigious Five Oaks farm where she finds not one, but two worthy adversaries -- Orion, a bold, dark horse that has yet to find a rider it deems its equal, and local veterinarian Caleb Wells, a man whose startling good looks and quick wit leave Cassie unnerved. As Cassie trains Orion for competition, Caleb, a partner in the farm, watches over their progress. A womanizer since his recent divorce, he soon finds his heart softening for this strong and gifted woman -- and for her unconventional family. But as Orion's Hampton Classic competition looms, Caleb's vengeful ex-wife threatens to ruin everything Cassie and Caleb have worked for... Reminiscent of the early classics in romantic fiction, *Ride A Dark Horse* is a winning tale of the bittersweet glories of life and the transformative power of love.
