

Rightsize ... Right Now!: The 8-Week Plan to Organize, Declutter, and Make Any Move Stress-Free

Get ready for moving day the stress-free way. Whether your new home is across the country or across the street, moving is never easy. Between the packing, the hauling, and the unpacking--let alone the clutter of boxes, the misplaced items, and the upheaval of leaving the old place behind--the stress can overwhelm even the most easygoing person. But with the right plan, it doesn't have to be that way! For over 25 years, bestselling author and professional organizer Regina Leeds has helped her clients prepare for new homes with practical support and a fresh perspective. She sees moving as an opportunity to simplify and start fresh. In *Rightsize ... Right Now!* Regina outlines her 8-week plan to clear clutter, organize, pack, and relocate without stress, with:

- Helpful guidance on making a moving plan, from hiring movers down to forwarding mail
- Strategies to tackle each room in the house in a smart, efficient way
- Right-sizing projects to weed out unneeded possessions
- Expert advice on organizing your belongings for the move and the new home
- Weekly self-care tips to keep you from getting bogged down

No matter if you're going from dorm to apartment, house to house, castle to condo, or you're preparing for retirement, *Rightsize ... Right Now!* will help you to conquer the chaos of moving and settle into a simpler, cleaner home.
