

## Knight Everlasting

The World of Dark Secrets Continues ... Once a medieval knight, Tristan McBreen is now Vampyre. Thriving and hidden in the lush romance of Savannah, Georgia, he has pledged his sword to those of his kind who will not feed on the innocent-though his quiet heart belongs to a fledgling who could well pay the ultimate price for his views. Now he must find a way to restore peace among the Vampyre-without sacrificing a love that could be his only salvation. ... and a New Love is at Stake. Katie OReardon gladly surrendered her mortal soul to the darkness. Now better suited to avenge the deaths of her family, she is eager to aid those who helped her survive. Before facing a monster who hopes to use her as a pawn in his evil game, she must first prove to Tristan that she's prepared for the battlefield-and ready to be the match for this knight's everlasting heart. Reviews and Other Information: The many colorful characters that intermingle in KNIGHT EVERLASTING make this story enlightening and keep it moving at a good momentum. The journey that Tristan and Katie endure is one that holds fast through everything and lasts forever. Their romance is pure and the reader cannot but become lost in their love for their duty toward each other and their mission. Lisa Phillips makes her characters believable as well as likable. The evil ones are really downright malicious, and I found myself rooting for the good guy to get rid of the evil ones. She pens a good story where I could share in Katie's ache over the loss of her parents as well as her deepening love. Coffee Time Romance Lisa Phillips has penned a great paranormal and a great romance with her novel Knight Everlasting. Her characters will pull you into their world of vampires where bonds of friendship, loyalty, and honor are worth dying for. The story unfolds with intense emotions and action that won't let you go until the last page. Tristan and Katie will

thrill you with their banter as they are constantly at odds with each other, while other charismatic characters will delight the reader with wit and humor in an already riveting story. Night Owl Romance
