

## Tides of Vengeance (The Montclair Brothers) (Volume 4)

The Montclair Brothers know they can't always wait for the law to do what's right. After all, they've been known to do whatever it takes to save one of their own, while banding together to create one indestructible force. Losing a battle is never an option for this family, and they never run from a fight. With strong women backing them, how could anything go wrong? Working together has always gotten them through dangerous situations. But now, will the Montclair men be forced to divide and act on blind faith? Their darkest hour has arrived, and death is on their doorstep. Will they sink or swim in the treacherous pull of the tides of defeat? The group of friends will be forced to fight with a vengeance against the enemy. Or is there more than one?
