

A Grave Hunger

NUMBER 1 BEST SELLING BOOK (Sep 2014) Leah's life has been turned upside down since the mysterious deaths of her parents and sister. Attacked by wild animals is the official cause of death. But all the clues lead to something more deadly--vampires. Haunted by their murder, Leah is obsessed with getting revenge on the vampire that killed them. Newly trained by her mentor and vampire hunter, Robert, Leah is ready to wreak vengeance on any vampire she finds. Meeting Robert's protégé, Finlay, becomes a welcome distraction from her grief. Heroic and handsome, with a sexy grin that makes her heart race; he can't help but get under her skin. Bound by tragedy, an obsession for revenge and a fiery passion for each other, things quickly begin to heat up between them. However, she quickly learns Finlay has his own secrets, and emotions have no place in his life. As much as he wants her, he pushes her away. Then tragedy strikes, Robert is killed, and Finlay withdraws even more. Leah doesn't know what he's hiding, but when she goes looking, she can never imagine the deadly evil that waits to snatch them into eternal darkness or that the cost of freedom is Finlay's life. Written in British English. Recommended age 17+ (sexual content). A clean version of this book is available. Same great story without the sexual content. Search for A Grave Hunger: Clean edit
