

Rocking Scarlett (The Rocking Series Book 2)

this book has been professionally re-edited Esmeralda Black has already learnt that finding the man of your dreams doesnt always guarantee a happy ending. After a traumatic few months, Esmes journey ended on a dramatic cliffhanger and we pick up with Esme where we left off, and find her in a hospital bed. Rocking Scarlett continues with the story of Esme and Jackson and the challenges they face as disaster and drama erupt with the ongoing issues with Jacksons past. Esme struggles to maintain a relationship with her brother, but this comes with complications, surprises and acceptance. As Jacksons popularity increases and Flix tour gets ever closer, Esme finds herself trying to cope with new feelings of insecurity . Luckily, throughout it all, Esme has good friends to rely on and with Jacksons over-protective nature, their future looks secure or does it? This book has mature content in it and is not intended for anyone under the age of 17
