

## Rock Star

Rock Star is the highly anticipated sequel to Ginger Voights Rock and Roll Rubenesque saga, which began with the sizzling debut of Groupie. For those who have been anxious to see what has become of Andy, Vanni and Graham... buckle your seat belts. Youre in for a thrilling new ride right through the dark underbelly of fame. In the second book in the series, readers get insight into the mind of the romantic hero, Giovanni Carnevale, as he reaches the pinnacle of success as a world wide rock star. Everyone wants a piece of him, but all he wants is the one thing he cant have. Hes angry and hes entitled, with ample opportunity to make really bad decisions. The combination proves explosive. Andy must watch from the sidelines as her beloved Vanni falls victim to grifters, scandals and alcoholism thanks to this self-destructive behavior. Things come to an emotional head when his estranged father comes on the scene just when Vanni thinks things cant get any worse. Darkness shadows Graham Baxter as he begins his journey as a paraplegic. The powerful mogul bitterly handles this new vulnerability by lashing out at the people who could help him the most. He needs Andy more than ever, pulling her in yet another hopeless direction. Andy is put in the impossible situation of keeping the most important promise she has ever made, or saving the man that she cant help but love. Author Ginger Voight turns up the scandals, secrets, passion and heartbreak to 11. Flawed characters face excess and all the pitfalls that entails. They fight as hard as they can to hold onto anything real in the fake world of celebrity.
