

Rocky Mountain Angels (The Rocky Mountain Series Book 1)

When Mari Baker moves in next door, Benjamin Rhodes knows she's the girl for him. Who cares if she's ten years older than he is. She's perfect. When Mari Baker moves in next door, Eli Rhodes is captivated by her fiery spirit and brunette curls. Sure, she's nothing like the singles bar hook-ups he usually entertains, but someone like her could make a man change his ways. When Mari Baker moves in next door, Joe Rhodes is unofficially engaged to Beth Havland, so why is this little snippet of a woman getting under his skin? Yeah, she's sweet and smart and shares his faith, but he and Beth have made plans. At least they've talked about making plans. When Mari Baker moves to Colorado Springs, she's looking for a fresh start--a new path. The first path she walks, however, is up the steps of the big Victorian house next door after she slips on the ice and throws her purse down the storm drain before she even has a chance to open the door of her new rental. The Rhodes brothers become her rescuing angels that night, and the next path that forms is the one between their house and hers. Authors Note: Very MINIMAL use of MILD language. This is a clean romance, but some sensuality, sexual tension and temptation make this a real romance.
